2. - b. Even in cases where no alternate purchases are arranged for the materials not supplied, the proportionate portion of the security deposit based on the cost of the materials not supplied at the rate shown in the tender of the defaulter shall be forfeited and balance alone shall be refunded.
 - c. Any sum of money due and payable to the contractor (including Security Deposit returnable to him) under the contract may be appropriated by the Purchasing Officer or Government or any other person authorized by Government and set-off against any claim of the Purchasing Officer or Government for the payment of a sum of money arising out of or under any other contract made by the contractor with the Purchasing Officer or Government or any other person authorized by Government.
8. The prices quoted should be inclusive of all taxes, duties, cesses, etc., which are or may become payable by the contractor under existing or future laws or rules of the country of origin / supply or delivery during the course of execution of the contract.

Bank charges incurred in connection with payment against documents through bank will be to the account of the contractor. The firms will produce stamped pre-receipted invoices in all cases where payments (advance/ final) for release of railway receipts / shipping documents are made through banks. In exception cases where the stamped receipts of the firms are not received for the payments (in advance) the unstamped receipt of the Bank (i.e, counterfoils of pay-in-slips issued by the Bank) alone may be accepted as a valid proof for the payment made.
